

Head Bracing

DonJoy Hat Trick

Ideal Application

The DonJoy Hat Trick headguard is proven to reduce the risk of concussion resulting from head-to-head impact and is ideally suited for soccer players of all ages and ability levels.

Features and Benefits

- Meets every performance requirement in ASTM F2439, Standard Specification for Headgear Used in Soccer
- Permitted by FIFA, the U.S. Soccer Federation, and the National Federation of State High School Associations.
- 6 month warranty
- Lycra outer fabric simulates forehead texture and improves conformity to natural head shape
- Ultra-lightweight (1.6 oz.), low profile, ventilated design allows for unrestricted, natural head and neck movement
- 4 adjustable, latex-free Velcro straps maximize comfort and provide a uniform fit in the occipital area
