M-Brace Patella Tendon Strap

The **M-Brace Patella Tendon Strap** features 100% velour construction for supreme comfort and breath-ability. It has a removable high density foam buttress to pinpoint compression over the forearm muscles, along with an easy to use locking system for cinching up the right amount of tension. The natural material makes this patella tendon strap perfect for anyone with skin sensitivities.

Features and Benefits

One-Size-Fits-All. Extremely low profile. Fits under any pants. Allows total knee function. Lightweight. Does not migrate or rotate. Convex pad for tendon compression/massage. Easily adjustable and has user friendly locking system. Breathable & natural materials. 100% cotton velour (whatever surface is in contact with patients skin). No allergies or dermatitis. Washable.

Indications: Patellofemoral Arthritis, Patellar Chondromalacia, Apophysitis, Jumpers knee strap, Osgood schlater disease

Size and Order Information : Part # 45 Fits adults with an upper calf circumference of 11.5 - 21.5 inches or 29 - 55cm.
