

## Rigid Ankle Bracing

### Aircast Air-Stirrup® Light

Combination of foam and distal aircell provides superior cushioning of the injured joint. Universal semi-rigid shells prevent further injury while allowing normal ambulation.

#### Ordering information

Part #	Description	Length
02F	Air-Stirrup Light	9"
02F12	Air-Stirrup Light 12-pack	9"

### Aircast AirLift™ PTTD Brace

The AirLift PTTD Brace is designed for the treatment of posterior tibial tendon dysfunction (PTTD), or for early signs and symptoms of the adult acquired flat foot. It can be prescribed for use as part of a conservative treatment to stabilize the condition and help prevent its degeneration, or post-surgically and during rehabilitation.

#### Ordering information

02PSL	02PSR	Small AirLift PTTD Brace
02PML	02PMR	Medium AirLift PTTD Brace
02PLL	02PLR	Large AirLift PTTD Brace

### Aircast Sport-Stirrup

Designed to help prevent ankle injuries, the Sport-Stirrup is based on the Air-Stirrup Ankle Brace but has a narrower design for less bulk in a sneaker or shoe. The Sport-Stirrup has anatomically designed shells that prevent inversion/eversion. Each shell is lined with the patented Duplex™ aircell system. This exclusive system incorporates two pre-inflated overlapping aircells, distal and proximal, that provide support and protection during ambulation.

### DonJoy Velocity Ankle

The **Velocity** is a low profile, lightweight ankle brace that prevents abnormal ankle inversion, eversion, and rotation while allowing natural, unrestricted dorsi- and plantar-flexion. The combination of soft goods with a rigid, hinged foot plate and calf cuff provides unsurpassed levels of control, fit, and support. Three **Velocity** versions are available, affording patients and athletes multiple ankle support levels.

Part Number:	
11-1497-x-XX000	Calf Cuff: ES - Standard, Left
11-1498-x-XX000	Calf Cuff: ES - Standard, Right
11-1499-x-XX000	Calf Cuff: ES - Wide, Left

x=4=L	Shoe size: , 10+

## Rigid Ankle Braces

### USA Stirrup Foam Ankle

Provides stability to the ankle by minimizing ankle rotation. Comprised of two polypropylene outer shells connected with a soft, adjustable footpiece. Unique memory foam pads provide uniform compression and a customized fit.

Size	Part #	Circ.
Small	US8111F	8.75"
Trainer	US8112F	9.5"
Regular	US8113F	10"

### USA Air Stirrup Ankle

Injection molded shells help minimize ankle rotation and inversion/ eversion without restricting plantar or dorsi-flexion. The full length pre-inflated air chambers lined with soft foam help reduce swelling and enhance circulation.

Size	Part #	Circ.
Small	US8111A	8.75"
Trainer	US8112A	9.5"
Regular	US8113A	10"

### Aircast Air-Stirrup® Ankle Brace

Aircast Air-Stirrup Ankle Brace has been the "standard of care" for the functional management of ankle injuries. It features anatomically designed shells lined with the Duplex aircell system with two pre-inflated overlapping aircells, distal and proximal, that provide support and produce graduated compression during ambulation.

#### Ordering information

### Breg Kool Air Stirrup

KoolAir Stirrup provides rigid support, compression, and optional cold therapy for acute ankle sprains.

**Indications:** Acute inversion and eversion ankle injuries

**BREG's KoolAir Stirrup offers the following benefits:**

Universally sized ankle brace. Easy-to-adjust heel strap for maximum fit and comfort. Air inflated bladder for compression. Removable and freezable gel-filled bladder for cold therapy products

Part #	Description
11180	KoolAir Ankle Stirrup (Universal)
71680	Air-Gel Replacement
71690	Heel Pad Replacement

### Breg Ultra Ankle

Ultra Ankle braces feature a full circumference rigid cuff and dynamic hinge that helps restrict excessive rotation while enabling plantar- and dorsi- flexion. The Ultra Ankle is available in three versions to provide varying levels of support. The GridIron is engineered with maximum rigidity for ultimate protection, while the FullCourt provides a more flexible fit for greater agility, and the XT offers the perfect match between support and comfort.

Part #	Description
1107X	Ultra Ankle GridIron, S-L
1110X	Ultra Ankle FullCourt, S-L
1102X	Ultra Ankle XT, S-L
7354X	Ultra Ankle FullCourt/Gridiron Refurb Kit
